Request for Sealed Bids: CSA-1 Cleaning and Video Inspection of Sewer Lines and Manholes Del Norte County, California

Addendum 1 dated September 10, 2024

I. The following includes responses to all Requests for Information received on or before September 10, 2024, at 5:00 p.m. The following were received:

1. QUESTION: Is there more to the submittal process than is in the package attached?
 - a. All I see is a **rate sheet**.
 - b. Is there a form for bidder information?

RESPONSE: A bidders information form has been added and should be completed and submitted with the sealed bid.

2. QUESTION: Although this would be considered a smaller project, and it could be completed in 8-10 working days, is there a hard deadline of the end of the year?

RESPONSE: If the contractor is unable to meet the specified schedule, then Contractor shall propose a schedule that the contractor is able to meet.

3. QUESTION: Please confirm that the pipe size is 6" and larger not exceeding 12".

RESPONSE: Pipe sizes have been included in the table on the project area map and an additional map is provided for additional information and length/size verification.

- II. Notice is hereby given to bidders regarding changes to the **DEL NORTE COUNTY SERVICE AREA NO. 1 NOTICE INVITING SEALED BIDS FOR CLEANING AND VIDEO INSPECTION OF SEWER LINES AND MANHOLES (dated august 20, 2024)**. All content included in this addendum is hereby incorporated and made a part of the bid invitation. Where provisions of this addendum differ from those of the original bid invitation this addendum, including attachments, must govern and take precedence. **This addendum must be referenced in the bid.**

This addendum has been approved for release:

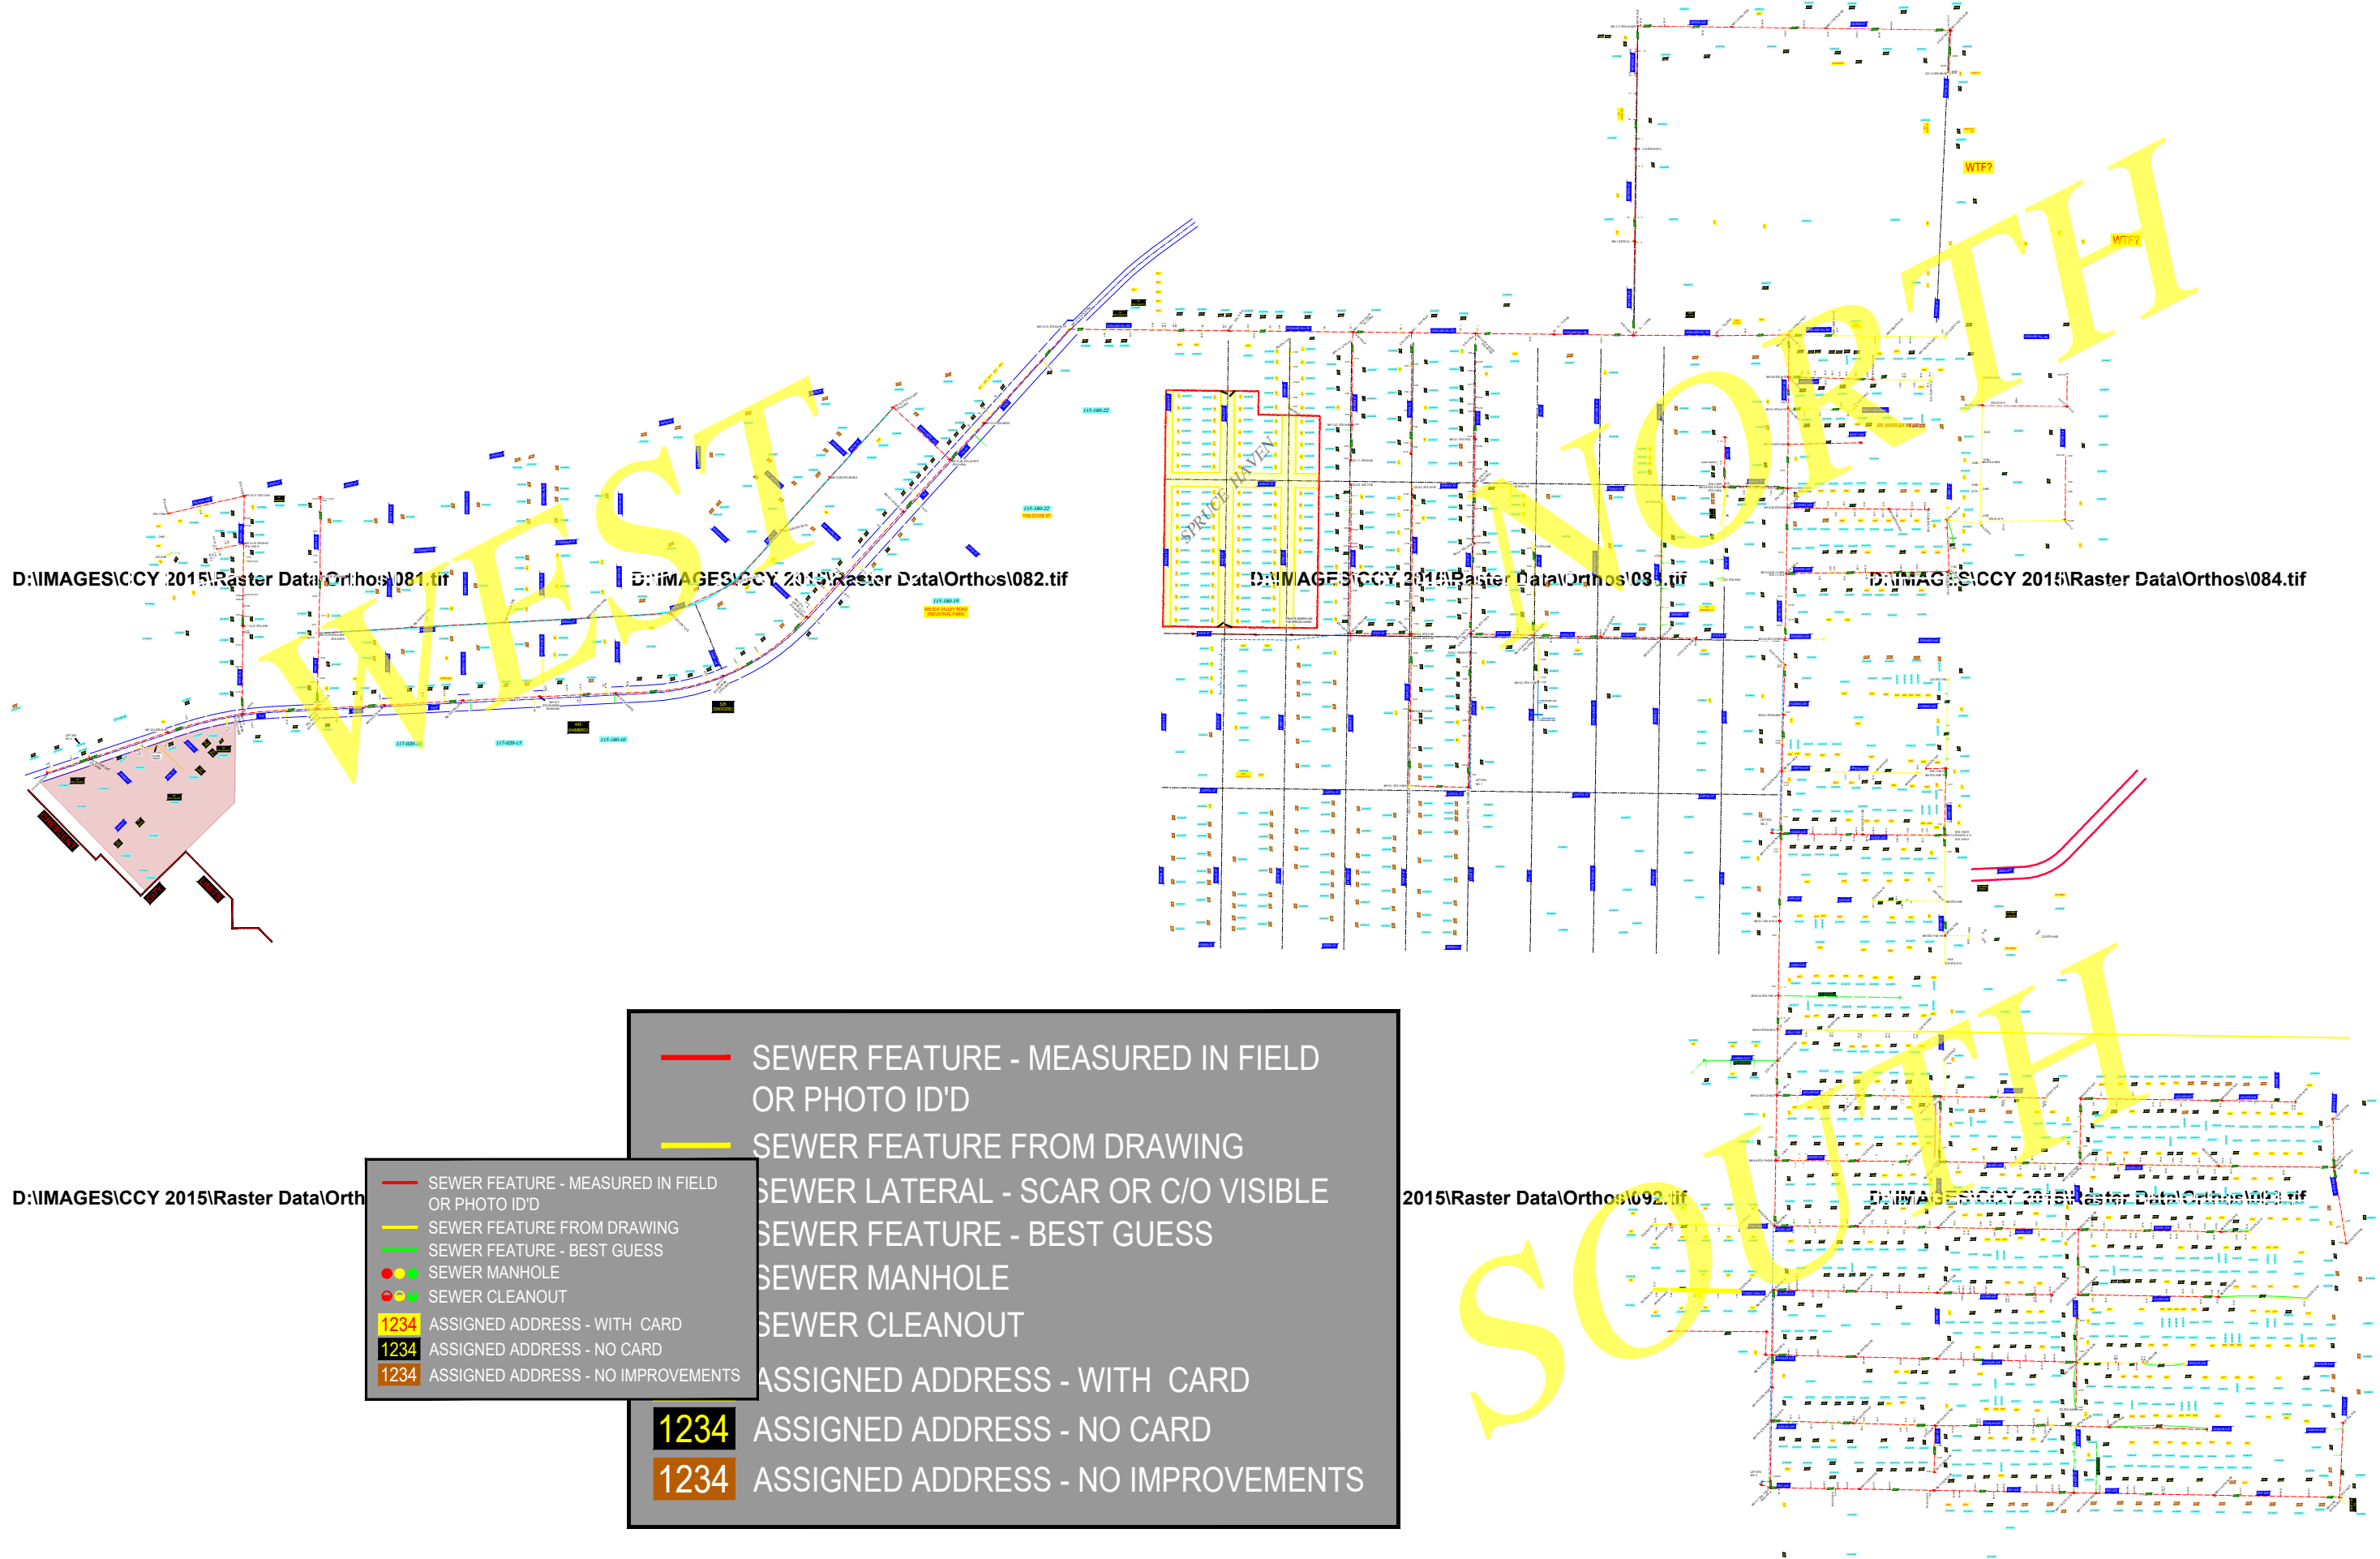

Jonathan Olson
County Engineer
